Thought
for the
week:

How many different ways can you think of,
to find out how long a line a pencil can write?
Which way do you think would be easiest?... and most accurate?...

Traffic Congestion and Accident in Garfield Road

Vehicles dropping off children **should not enter** the dead-end part of Garfield Rd.

There was an accident this week, causing damage to a resident's parked car, but it could all too easily have been a child.

Free parking** is available in Orchardleigh Road car park,
about **1 minute walk from school**.

Please help us to keep our children safe as they walk to school, at the same time maintain good relations with the local community by being considerate of the needs of others.

****** Please ask at the school office for a parking permit which allows 1/2 hour free parking mornings and afternoons in Orchardleigh Road car park.

Or come early and beat the rush! The school gate is open from 8:30 every morning!
